

Dr. Kimberly Schlam

DMD, MS · Prosthodontist · Speaker · Educator

MEDIUM BIO (~120 WORDS)

Dr. Kim Schlam is a board-certified prosthodontist and Resident Faculty member at Spear Education in Scottsdale, Arizona. After serving as a Captain in the U.S. Army Dental Corps, she founded Bend Prosthodontics in Bend, Oregon, where she focuses on full-arch implant rehabilitation and complex restorative cases. She is a featured voice on the Straumann ProTalk series, the Dental Digest Podcast, and at International Esthetic Days. Her clinical philosophy — "rehabilitation over replacement" — has shaped how she teaches, plans, and communicates with patients and the interdisciplinary teams she works with.
